Dedication

We dedicate this yearbook to those things which make life meaningful for all of us: freedom and peace, honor and respect for all who have helped and guided us, and a feeling of responsibility for ourselves and our fellow man.

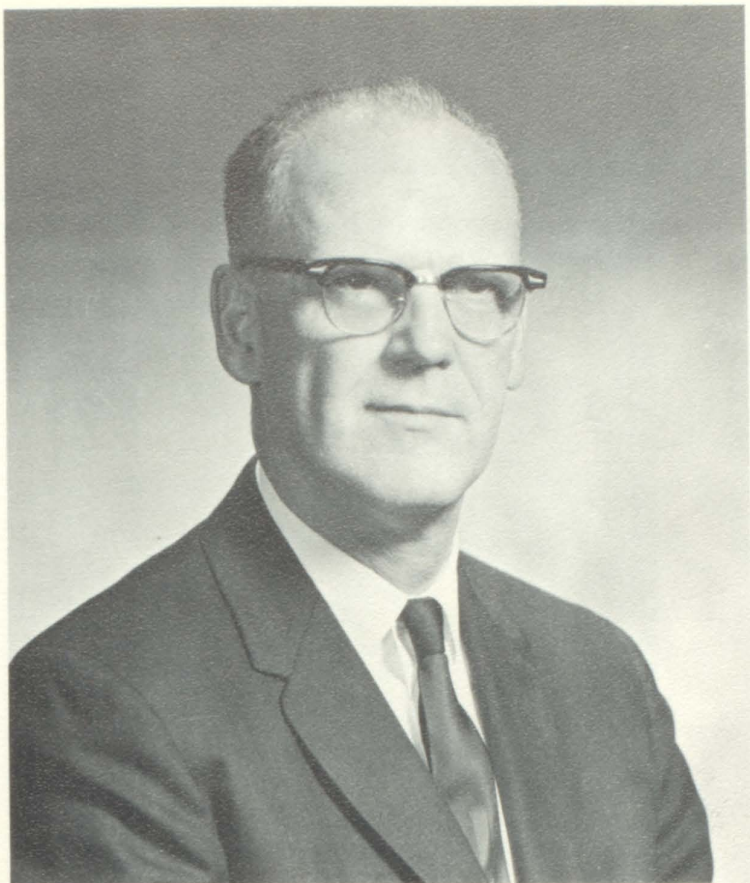

May a full awareness of these ingredients for a good life ever be a part of each of us in our graduate years away from Central High.

We Work And think about today.

ODE TO A SENIOR CLASS by Denise George

Yeah, Senior Class "63", we heard
you were all right,
A pretty swinging bunch, but not
really "out of sight".
But dig who came that September
and made the place "heaven",
Future Senior Class of Central —
Year 1967.

Senior Class "64" — Well, we were
there to witness,
Their childish antics and seniority
"sickness".
With a great basketball team and
spirit galore,
They'd say to themselves, "Who
could ask for more?"

Senior Class "65" — and sophomores
were we,
Thinking to ourselves, "How corny
can they be?"
They'd parade around with their
heads in the air,
But to be really truthful, that class
was "nowhere".

Senior Class "66" — We'll give credit
where it's due,
You were pretty nice; we thought
a lot of you,
Educated, neat, a little "rowdy" in
your ways,
But we put up with you in your last
few days.

Senior Class "67" — Well, we really
hate to brag;
But we were "together", you know,
in a real "deep bag".
Though late in our dues, we're the
best class ever.

Will anyone really top us? You
better believe — NEVER!

UPON LEAVING by Denise George

Funny how the years can bring a
change.

If we'd reminisce, we'd think it
strange

That we, the Central High Senior
Class,

Could hardly wait for the years to
pass.

Well, the years did pass, and we
made our mark;

Seniors we became, upon the future
to embark.

As we leave Central and think of
times now past,

We wonder "How did four years
slip by so fast?"

TO SAY FAREWELL by Celeslie Lucas

From the hills

From the vale

From the winds

Gather all those who knew

To say farewell

To say farewell.

With a volley of rifle fire

With the blare of a bugle

We bid thee adieu.

From our midst

A friend is gone —

Our lady on the hill.

AT LAST by Barbara Gillespie

At last, the time has come

To think of many things;

Of caps and gowns, boosters

And graduation rings.

At last, the dues are coming in;

All have paid — except for ten.

All our pictures have been taken

For the yearbook we are making.

At last, the final exams are over.

No more essays or books to cover;

No more hurrying to classes;

No more asking for hall passes.

At last, the night of the prom

has arrived.

Some came in taxis or

did they drive?

At last, our names are being called.

We receive our diplomas,

Proud, erect, and tall.

At last — at last — at last!

Our Hopes for Tomorrow

A THOUGHT

Most of all, remember:
When you leave these walls,
The next ones that you come upon
May be the hardest of them all.
Sheila Rouse

TOMORROW

If I think of tomorrow
T'is with some sorrow
About days of happiness passed.
And — the passing of tomorrow
Will fill me with sorrow
If a day's opportunities
Fall away from my grasp.
How do you think of tomorrow
Of its joy and its sorrow?
With a tremble of joy — or with dread?
If fear is life's master,
Each day is disaster.
Recall this — as you strive to get ahead.

TWELVE YEARS

by

Lawrence Gilbert

We have struggled for twelve long years,
To reach the place we are today.
Yes, Seniors of Central High,
Let's make our way.
We have struggled for twelve long years,
To achieve the goal we so dearly desire,
Never to stop or even retire.
We have struggled for twelve long years,
From which we truly learned our lesson,
In order to pursue a good profession.
We have struggled for twelve long years,
Not to be denied or rejected —
Only to be respected.
We have struggled for twelve long years,
Which now you see to be evident,
For we are truly most intelligent.
We have struggled for twelve long years,
To be good examples for future generations,
Which really doesn't need much meditation.
We have struggled for twelve long years,
Only to reach the place we are today.
Yes, Seniors of Central High,
Let's make our successful way.

SPORTS

Football

There were plenty of thrilling moments in Central's 1966 football season. Our team gave their best effort, and top-quality sportsmanship was achieved by each of our men. We notably recall the outstanding work of Richard French and Gregory Mitchell in the West Side game; Darnell Jones and Michael Dickerson at our Vailsburg game; Dickerson, French and Mitchell at Barringer's; Richardson at Weequahic's—to mention a few. At their last game, our seniors all played in top form. Richard French and Paul McDougal were placed on the All-City Team. With fond memories of these moments, we look forward to Central's 1967 football squad, wishing them "good luck".

Central's soccer record this year was not the most impressive one to date, but watch out for next year's team! Our squad, this year, was composed of many boys playing the game for the first time. They will return next year as well-seasoned players for there was wonderful teamwork this year, each boy working at his best. Coach Smith was especially happy over Jacques and Jean Charles, two of our players from Haiti who are well-versed in the game. We say "well done" to our Soccer team of 1966 - 67 as we turn a watchful-expectant eye on Central's Soccer squad of next year. This will be the team to be reckoned with by all the soccer groups in our area.

Under the watchful eye of Coach Jim Martin, Central's Cross Country Team did a fine job this year. The team consisted of seniors: John Van Cagle, Theodore LaSure, Dannie Martin and James Roberts, (Captain); juniors: Mack Frazier and Lester Gilbert; sophomore: Marion Pierce.

Marion helped to lead our team to a second place in the city meet, we're all proud of him! Next year — watch Central's Cross Country Team going places!

This year's team was primarily a young one, lacking in experience. Each boy was given an opportunity to engage in a varsity match, thus gaining in competition the experience necessary to further our cause in coming years.

Our record was 1 win and 5 losses but these were only practice matches. In the City Championship, we ended in fourth place.

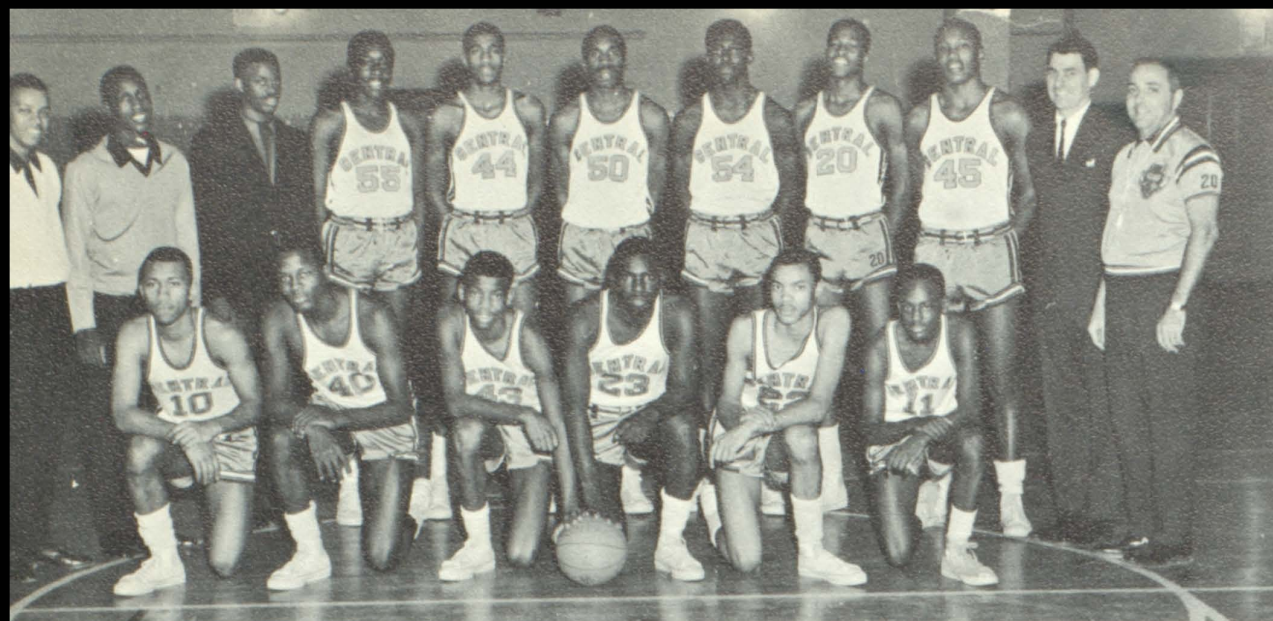

Larry Cooper was awarded a silver medal for winning second place on his fencing section or strip.

Mr. Matthew J. Lombardi, Coach

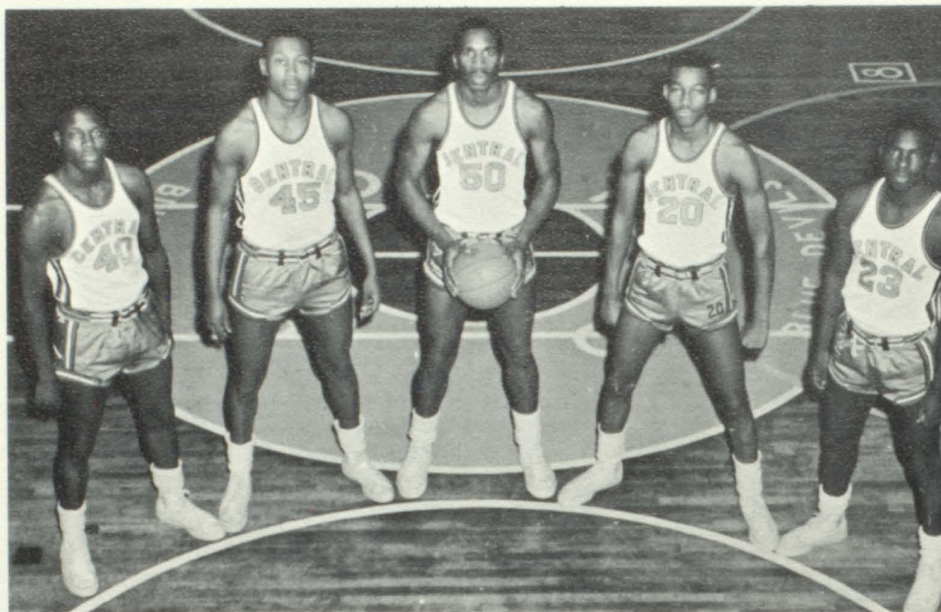

This year the Hilltoppers season finished just short of Atlantic City. With a great record of 20 wins vs. 5 losses, Central was "in the wrong league." Weequahic High School handed the "Toppers" four of their five losses, so the Light Blue was 2nd in the city, county, and state sectional finals.

Outstanding for Coach Matt Lombardi's Hilltoppers were seniors Sam Robinson, Perman Wilson, Willie Moss, Robert Perry, Larry Hill and Emory Griffin. Hopes for a great next year center around Art Lockett, Mack Key, Charles Onque, Jerome Stancil, Bernie Brundidge, Mike Jones and Dan Branch.

In the Christmas Tournament, the Hilltoppers lost only to Boys High of New York, while beating Seton Hall and Bayonne. Perman Wilson was named to the All-State Team for his outstanding play.

When Essex County Tournament time rolled around, Central was seeded number 2 and wound up in the finals against Weequahic after victories over Clifford Scott, Irvington Tech and Irvington.

The Clifford Scott game afforded the Hilltoppers the opportunity to set two tournament records: most points for one game: 97, and most points in one quarter: 32.

Left to right: Robert Perry, Willie Moss, Sam Robinson (Captain), Perman Wilson and Emory Griffin.

Captain Sam Robinson tied another tournament record with 35 field goals — another top-notch effort by Big Sam!

Central opened the state tournament with a stirring victory over Morristown followed by a sensational romp of Big Ten Champion — Bloomfield.

All in all, it was a very successful season in every respect as most of the senior players will receive an athletic scholarship to college — through sports.

Eddie Gandy (right)

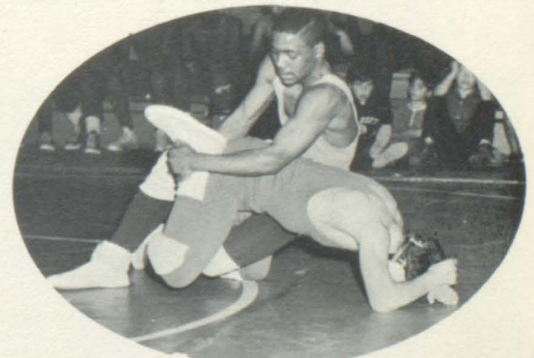

Roy Richardson (top left) vs. Barringer (right)

Mr. Curry, our coach, was somewhat disappointed at the team's showing as a unit. We placed 4th in the city. The motto of the wrestling team is "The strong shall survive and the weak shall fall by the way-side." This saying was given to us by our coach, Mr. Curry.

The best records were held by Co-Captain William Carrington at 130 lbs. and Dexter Jarmon at 130 lbs. Both their records were 6 and 2 for the season.

Co-Captain William Carrington will extend his wrestling in the AAU Meet in March.

William Carrington, *Co-Captain*

The 1967 edition of Central's Track Team will be remembered as one with little experience, but lots of heart. The team is made up of eight seniors and many juniors and sophomores. This year's captains are Michael Dickerson and James Roberts. From our nucleus of experience and willingness, we are looking forward to a great future.

This year's Baseball Team is a young, inexperienced group of players. As the boys develop, we expect to win our share. The entire team will be back for another season next year.
